

Q1 Which part of Mylor Parish do you live in or mainly identify with?

Answered: 817 Skipped: 0

The Numbers

We received 817 responses from all communities in the Parish. 199 of these were online.

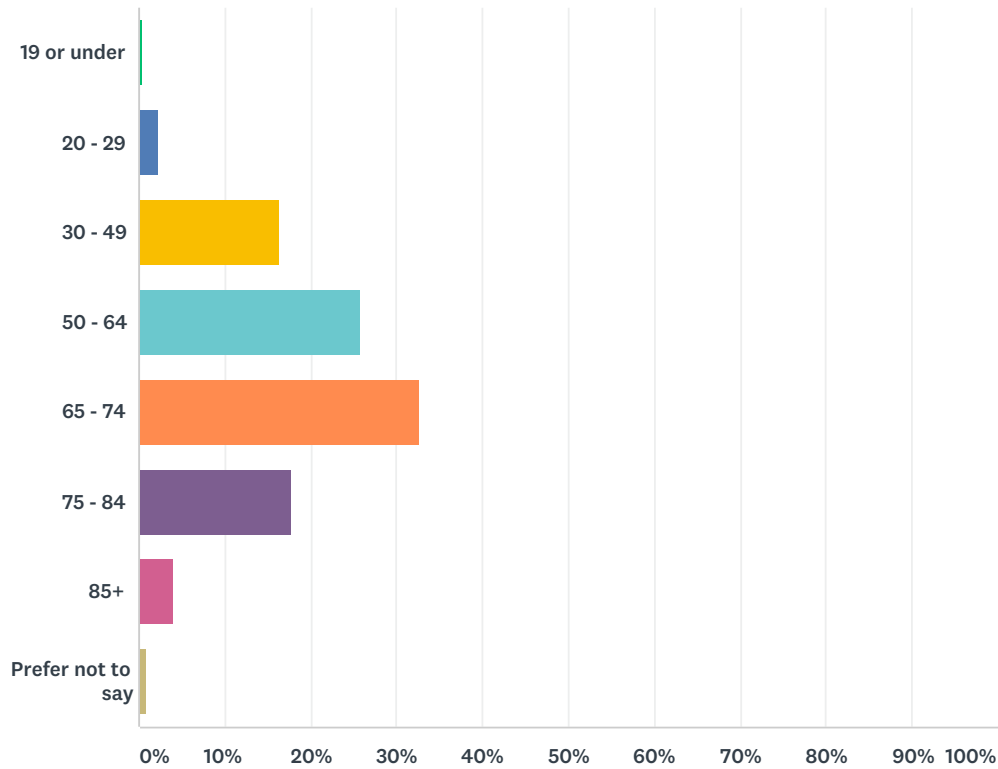

We sent out a total of 1,931 surveys: 1,472 paper surveys by mail and 459 to people who had signed up in advance to do the survey online.

343 of the online surveys were opened or 'clicked on', so we can say with some certainty that 1,872 were 'received' in the sense of being opened by post or email.

Therefore, whether you use the total of 1,931 sent out or the total of 1,872 that we know were received, this gives us a response rate of 42%-45%.

Q2 How old are you?

Answered: 817 Skipped: 0

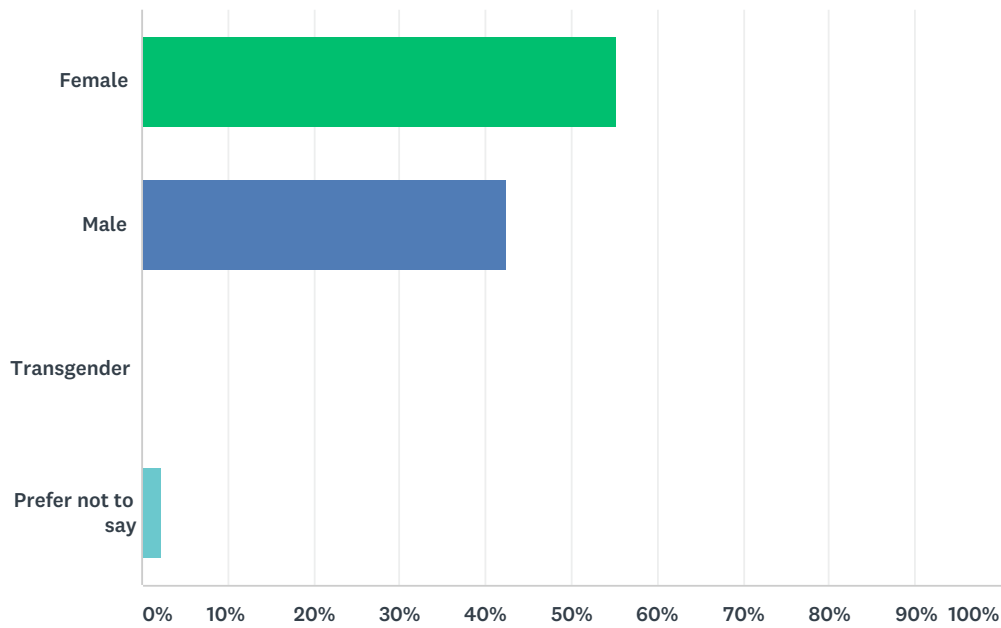

ANSWER CHOICES	RESPONSES
19 or under	0.49% 4
20 - 29	2.20% 18
30 - 49	16.28% 133
50 - 64	25.83% 211
65 - 74	32.56% 266
75 - 84	17.87% 146
85+	3.92% 32
Prefer not to say	0.86% 7
TOTAL	817

We received responses from all the age ranges; the least being 16-19 years (4 respondents) , and 20-29 years (18). We received 133 responses from 30-49 year olds, 211 from 50-64 year olds and 266 (the largest group) from 65-74 year olds. Above that, we had 146 responses from the 75-84 year olds, 32 from people aged 85 and over, and 7 people who preferred not to state their age. The responses suggest there is more we should do to involve younger people in the plan.

Q7 Which of the following facilities do you use or visit?

Answered: 808 Skipped: 9

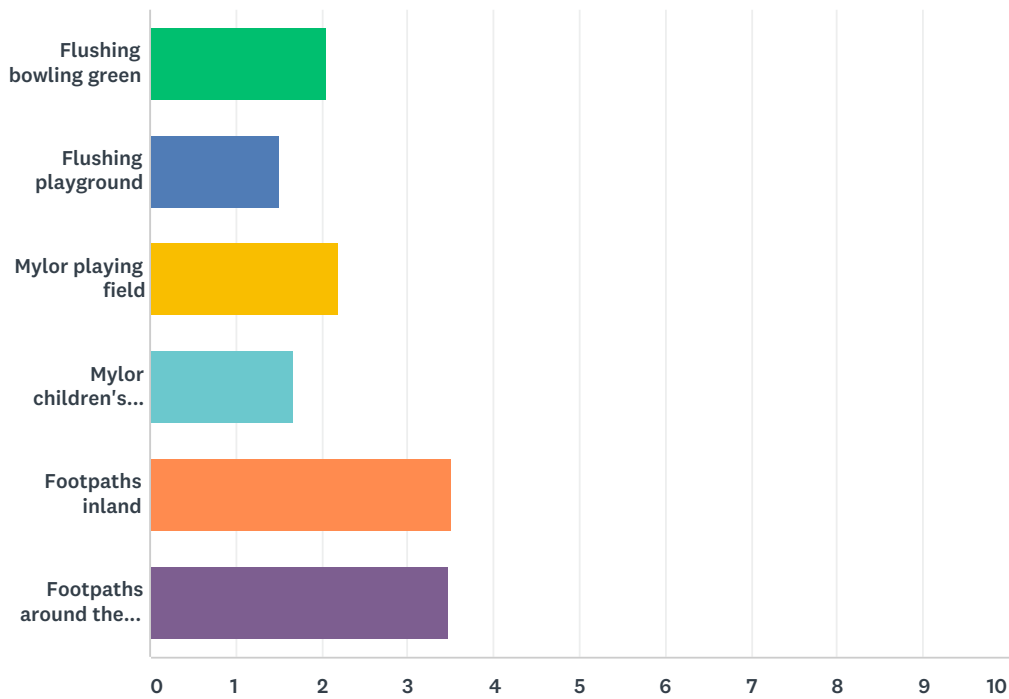

For the parish as a whole, the Tremayne Hall is the most used facility with 77% using it either occasionally or frequently throughout the year. The Ord Statter Pavilion and the Flushing Village Club are all used by a significant proportion of the population.

Looking at the figures for Flushing residents, the Village club and St Peters Church Hall are used more frequently than the Tremayne Hall.

Mylor Parish Hall and the Tremayne Institute are the least used facilities.

Q8 Which of these green spaces do you use?

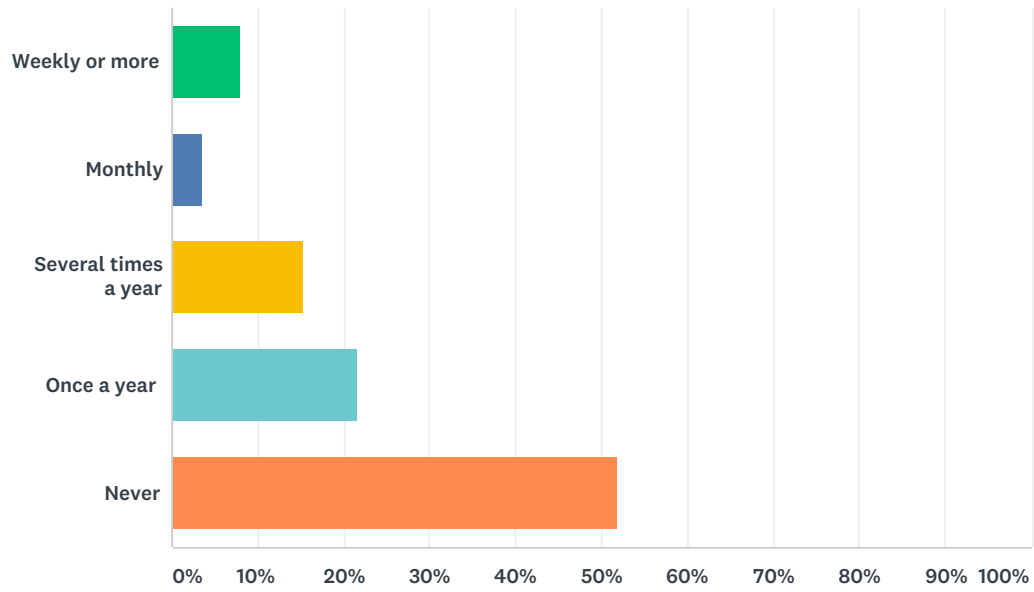

Answered: 808 Skipped: 9

The Parish's green spaces are well used, with footpaths inland and around the coast the most popular.

Q9 How often do you attend a place of worship in the parish?

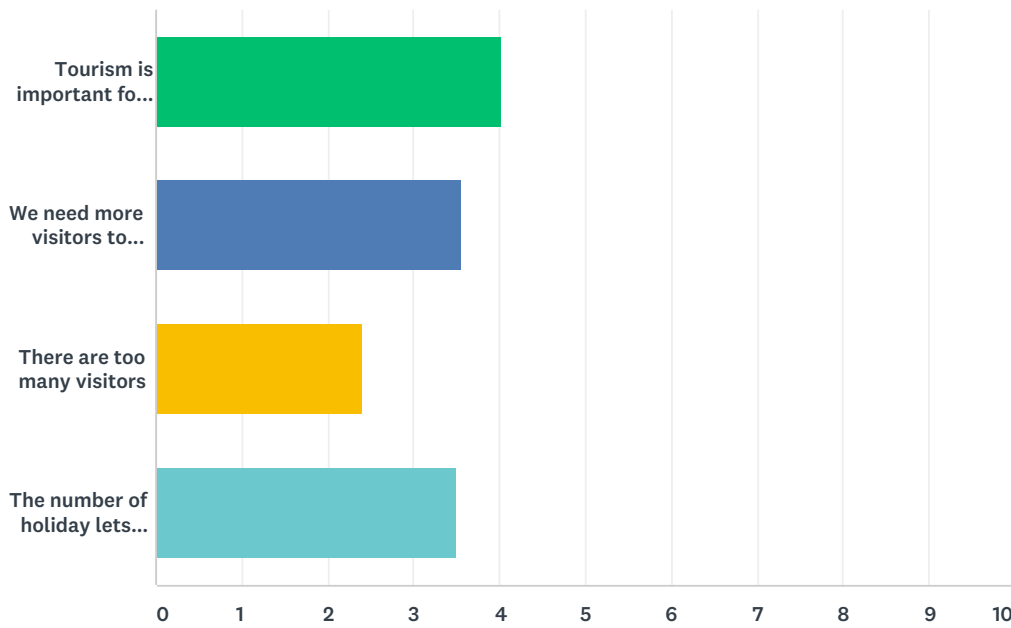

Answered: 803 Skipped: 14

Only 8% attend a place of worship weekly or more; 52% of respondents never attend a place of worship in the Parish, and 21% attend just once a year.

Q10 How important is tourism to the parish?

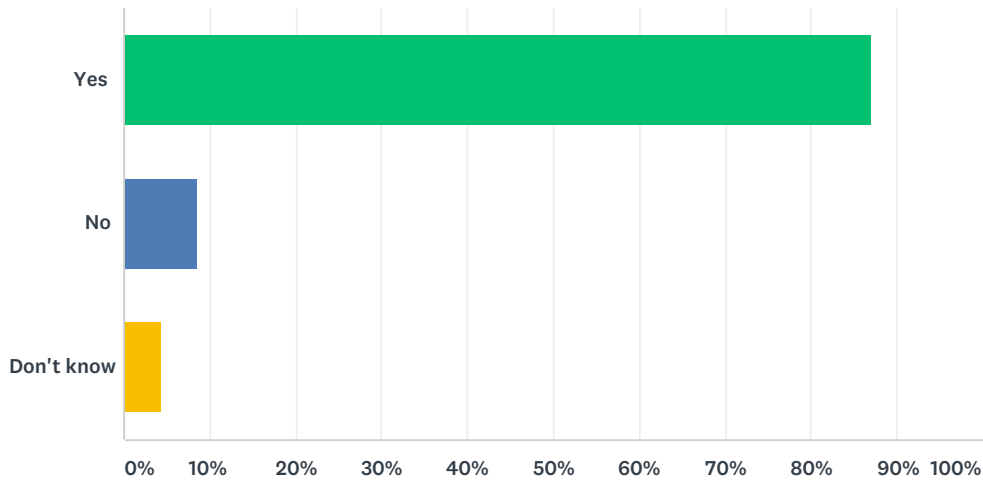

Answered: 808 Skipped: 9

80% agree that tourism is important to the local economy and 60% say we need more visitors. Few (29%) feel there are too many visitors. The number of holiday lets is a problem for 49%, but this rises to 60% for residents of Flushing but only 48% for residents of Mylor Bridge

Q11 Should newly built homes be reserved for full time residents? i.e. Occupied as principal residences. Tick one

Answered: 809 Skipped: 8

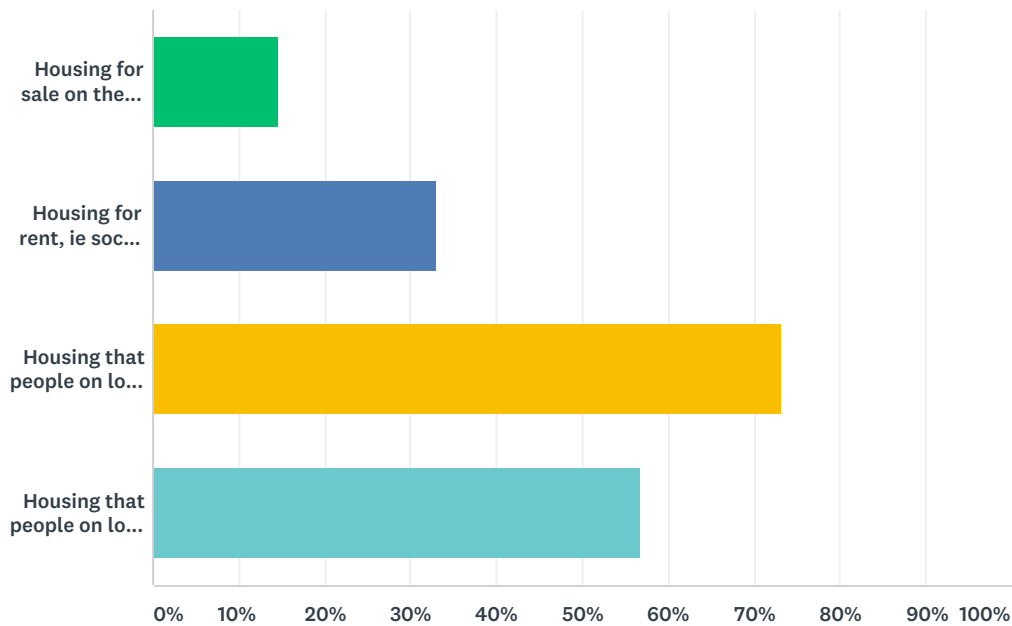

This is a significant response to a question raised by many of the residents in the original postcard survey. The figure of 86% was similar for both Mylor Parish as a whole and also when looking at Flushing & Little Falmouth.

With a response rate of between 42% and 45% and a Yes vote of 86%, this result is a significant one for Mylor Parish.

Q12 Which description best matches your understanding of 'affordable housing'? Tick all that apply

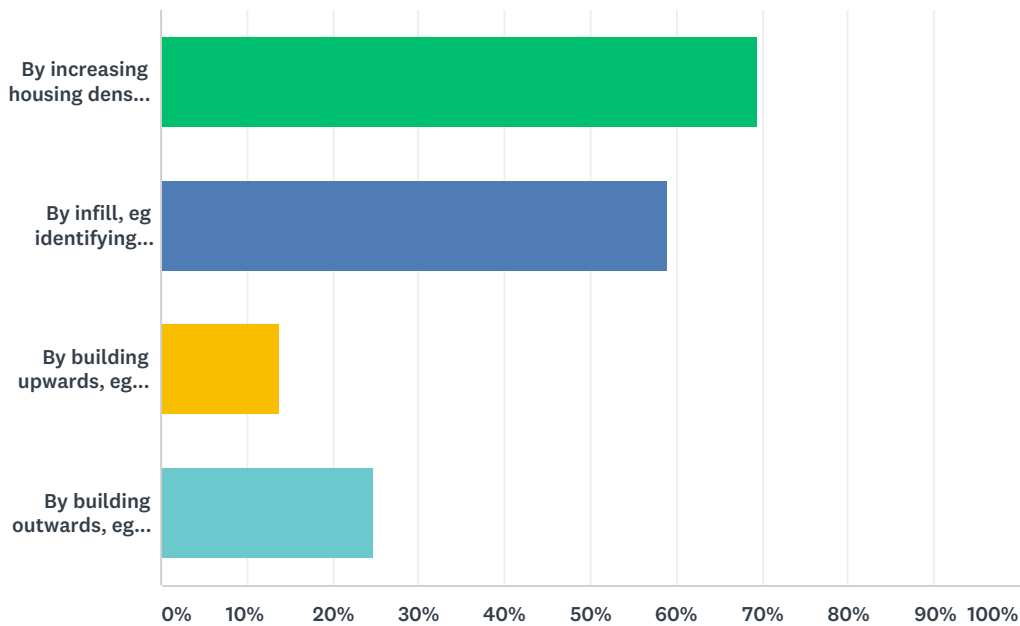

Answered: 812 Skipped: 5

The official definition of 'affordable housing' received the smallest response, with just under 15% selecting it as their understanding of the term. The largest response, 73%, is given for 'housing that people on lower incomes can afford to rent or buy', which suggests that this is what people would like it to mean.

Q13 If we build new homes that local people can afford to buy or rent, how should it be done? Tick all that apply

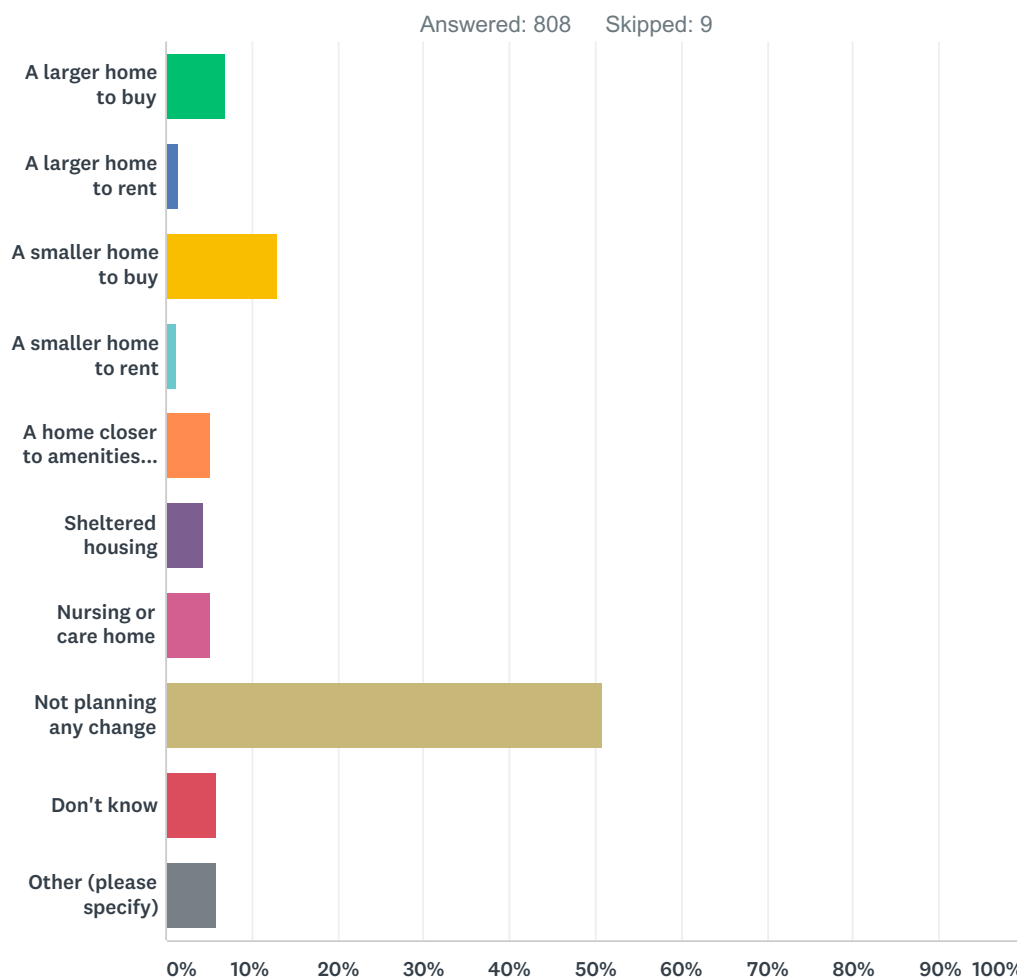

Answered: 787 Skipped: 30

ANSWER CHOICES	RESPONSES	
By increasing housing density eg by converting existing sites or buildings	69.38%	546
By infill, eg identifying small areas for development between existing buildings	59.09%	465
By building upwards, eg small blocks of low rise apartments	13.72%	108
By building outwards, eg expanding the village into the AONB and using agricultural land	24.65%	194
Total Respondents: 787		

The largest votes are for increasing housing density by (eg) converting existing sites or buildings (69%), and infilling by (eg) identifying small areas for development between existing buildings (59%). There is less support for building upwards (eg flats), 14%, and building outwards into the AONB (25%).

Q14 Thinking about your own housing within the parish, what are you most likely to need in the next 15 years? Tick one

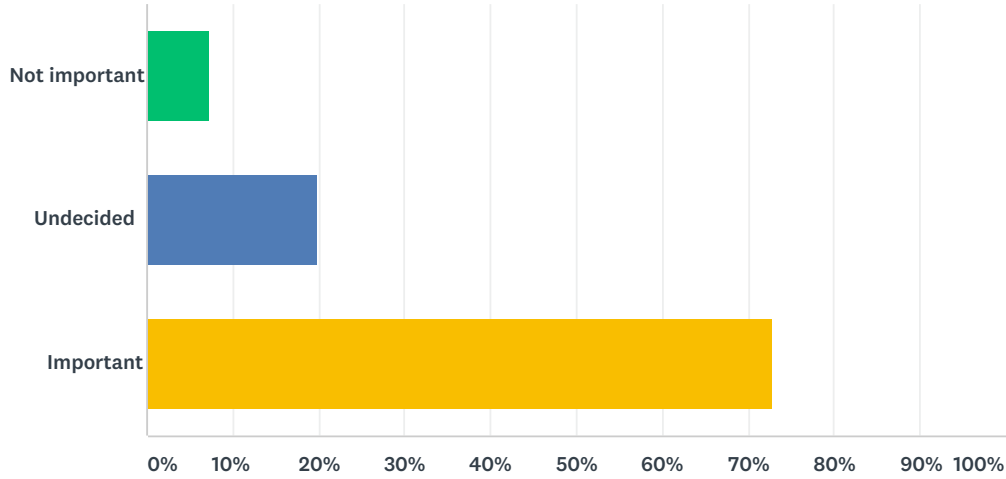

ANSWER CHOICES	RESPONSES	
A larger home to buy		55
A larger home to rent	1.49%	12
A smaller home to buy	13.00%	105
A smaller home to rent	1.24%	10
A home closer to amenities such as shops and a GP	5.32%	43
Sheltered housing	4.46%	36
Nursing or care home	5.20%	42
Not planning any change	50.74%	410
Don't know	5.94%	48
Other (please specify)	5.82%	47
TOTAL		808

50% of respondents do not plan any change. Of the rest, 13% want a smaller home to buy (presumably downsizing on retirement or once children have left home), 6.8% want a larger home to buy (as family grows), and 5% a home closer to amenities. A combined 10% support sheltered housing and a care home in the Parish. Responses suggest that those seeking to buy a smaller home could be placing larger homes on the market in the next fifteen years, which could potentially provide for those seeking more room for growing families on the private market, without the need for larger houses to be built.

Q15 At present, people who need sheltered housing or care/nursing homes have to move out of the parish. How important is it that we plan to have this type of facility in the parish in future? Tick one

Answered: 806 Skipped: 11

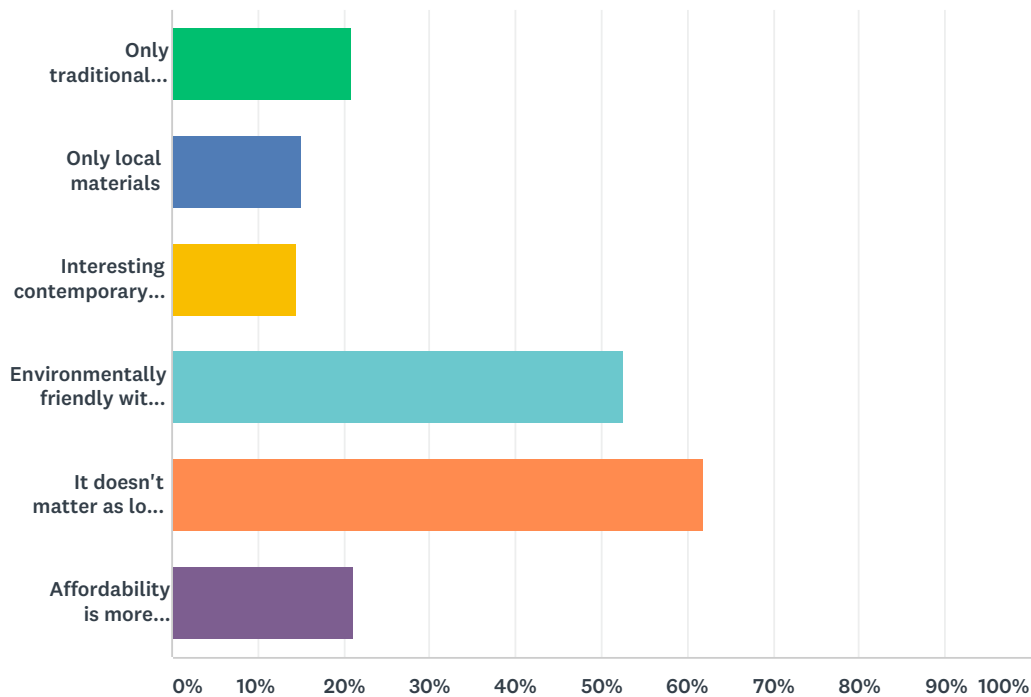

ANSWER CHOICES	RESPONSES	
Not important	7.32%	59
Undecided	19.85%	160
Important	72.83%	587
TOTAL		806

There is substantial support – 73% - for provision of sheltered housing or care/nursing homes in the Parish.
